Re: United States v. James E. Reid
Criminal No. 04-10031-WGY

Dear Ms. Fried:

The Government was notified that Firepond recently downloaded data from a computer which James Reid used during the course of his employment at Firepond. You are aware that Reid was termination at Firepond in May of 2002.

The Government did not request Firepond to download the data and was not aware that Firepond intended to do so prior to being informed that it had been done. Having been made aware of the existence of the CD, I requested Firepond to make two duplicate copies of the CD and deliver them to my Office.

I am immediately forwarding the enclosed duplicate CD for your information and such use as you deem appropriate.

Very truly yours,

MICHAEL J. SULLIVAN
United States Attorney
